## LIFE CUBE PROJECT Official Dream Card

Write down your goals, dreams and aspirations in the space below. Then, place your card in the Life Cube Mailbox in dT-Alley.

When you think about the future and write down your goals, you are infinitely more likely to achieve them! Your aspirations become even more powerful when they're joined with others from the community, carrying all those hopes and dreams together out into the universe.

My Goal and/or Dream:
